

Online-Publishing Checklist for Dissertations

Overview Process

- ✓ After having passed the exam choose one of the three publication options:
 - Publishing via the university library's (UB) repository first.
 - Publishing via the UB's repository while also publishing via publishing house.
IMPORTANT: legal issues must be clarified with the publisher in advance.
 - Publishing via the UB's repository while the content of your work has been published already e.g. in a medical journal.
IMPORTANT: legal issues must be clarified with the publisher.
- ✓ Clarify the rights to reuse already published material, for example images or figures.
- ✓ Register and upload the data to [RWTH Publications](#) via RWTH-ID / TIM-Login:
In case your RWTH-ID is expired, access will temporarily be granted via IdM Partner-Coupon.
Send an e-mail to pub.services@ub.rwth-aachen.de.
- ✓ Booking an appointment via the [appointment tool](#) for submitting the author's agreement and one bound printed copy. Alternatively, you can send the documents by post.
- ✓ The UB provides the receipt.
- ✓ Delivery of the confirmation receipt along with the printed copy for the UB's archive and - depending on the faculty - other documents/mandatory copies at the doctoral office of your faculty.
- ✓ The copy submitted to the UB earlier will finally be approved by the doctoral office and then forwarded to the UB for archiving.
- ✓ After receiving the approved copy: the UB activates your dissertation online and registers it with the German National Library (DNB).
- ✓ Your degree certificate will be issued by the doctoral office.

Submission to the UB: Did I remember to do everything?

- ✓ 1 printed copy for archiving:
 - Paper size should not exceed DIN-A4 format.
 - The UB accepts all stable types of binding, except ring and spiral binding and wire or staple binding.
- ✓ Obligatory dissertation title page based on your faculty's template.
 - NOTE: The text on your title page changes in the final version (after the oral examination).
 - The following sentence has to be placed below the date of the oral defense:
"Diese Dissertation ist auf den Internetseiten der Universitätsbibliothek online verfügbar."
 - Pay attention to any specific requirements by your faculty, e.g. personal information on the title page or research data archiving policies.
 - In order to avoid corrections later on, you can send us your PDF file via e-mail (pub.services@ub.rwth-aachen.de) for a check in advance.

- ✓ Both versions are identical (printed and digital), i.e. content and layout, but also e.g. line breaks and page numbering, are identical throughout.
- Exceptions:
 - Colored illustrations can be printed in black and white.
 - DIN A4 can be output as DIN A5 format.
- ✓ PDF file and original file (e.g. Word or LaTeX) - zipped if necessary.
- ✓ PDF file requirements:
 - Table of contents: Create table of contents for the PDF file (see description [for Microsoft Word](#) and [for LaTeX](#)).

The publishing information has to include not only the publisher, the copyright notice, and the year of publication, but also the following: "D 82 (Diss. RWTH Aachen University, [Year of the oral examination])".
Tip: Request the PDF file when it is ready to print from the publisher before registering online.
