

## Instructions for use Speakers´ Room

Welcome to our Speakers´ Room!

1. Switch the camera to <ON> using the main switch.
2. Set the mode dial to <M> and set the movie shooting switch to the camera icon.

3. Flip out the screen.

4. The Movie Servo AF mode is activated by default, i.e. the camera focuses automatically.
5. Attach the camera to the tripod and align it correctly.
6. Press the <Start/Stop> button to start recording a movie.

7. While recording the "REC" mark will be displayed on the upper right of the screen.
8. The sound is recorded by the built-in microphone.
9. To stop recording the movie, press the <Start/Stop> button.
10. Connect the camera to the screen using the HDMI cable attached to the screen.
11. Select the correct channel (HDMI 1) using the monitor's remote control.
